

Update MultiRack-Compatible Plugins

Download the multi-platform V9 plugin installer:

Mac: <http://www.waves.com/dlrdr?id=v9-2-mac-offline>

Windows: <http://www.waves.com/dlrdr?id=v9-2-win-offline>

Launch the installer and choose:

- **“All MultiRack SoundGrid-compatible plugins”** for MultiRack SoundGrid
and/or
- **“All MultiRack Native-compatible plugins”** for MultiRack Native.

Follow the steps to complete installation.
